Holt International is a nonprofit, licensed and accredited child welfare and family services organization. Our adoption work is entirely financed through adoption fees and donations. It is not government subsidized. We believe that children are the highest priority, and we want as many children as possible to have families. Because of this, we strive to keep our fees within a reasonable range.

Intended to cover the cost of all adoption services, these fees include post placement visits. All fees are subject to change, and are charged at the rate that is current at time of billing. Holt International may increase fees if our direct costs for providing a service increase substantially after time of application. Families will be notified in writing of any fee increase.

Holt International's application fee may be paid by credit card. All other fees billed by Holt may be paid by personal check, cashier's check or money order.
